

Ashley Tisdale "Whatcha Wawiting For"

Visit "[Whatcha Wawiting For](#)" on MotoLyrics.com

We gotta talk there's a rumor I heard
It's legitimate I found out from her
After all I've done is it what I deserve?
Stupid me I thought our love was for sure

If you did it then admit it
Cause it's written all over you two
Called your bluff, had enough
I'm so over it ...

You'll be sorry, but don't worry
Cause I already found somebody new
Tough luck, you suck
That was such a waste...

[Chorus:]
Whatcha waiting for?
Come over and give it to me
Whatcha waiting for?
I already know what you did
Whatcha waiting for?
Whatcha running from?
Baby, baby, babe...
Why ya cheating on me?

Whatcha waiting for?
I'm everything you'll never be
I'm walking out the door
Go ahead and crawl on your knees
Whatcha waiting for?
Whatcha running from?
Baby, baby, babe...
How could you do this to me?

Don't get it twisted I need nothing from you
So pack your bags and your Guitar Hero too
They say that breaking up is a hard thing to do
But oh so easy when you're dumping a fool

If you did it then admit it

Cause it's written all over your face

Called your bluff, had enough
I'm so over it...

You'll be sorry but don't worry
Cause you're really not that hard to replace
Tough luck, you suck
That was such a waste...

[Chorus]

La la la la la la
That don't work anymore
Shut your mouth, I don't care
Game is over, over

La la la la la la
Heard it all before
No way back, you're so whack
You're a loner, loner

Whatcha waiting for?
You messing with my head
I can't take this no more
And all the things you said

[Chorus]

Uh, uh, uh, uh, uh, uh, uhh
Uh, uh, uh, uh, uh, uh, uhh
Uh, uh, uh, uh, uh, uh, uh
Why ya cheating on me?

Uh, uh, uh, uh, uh, uh, uhh
Uh, uh, uh, uh, uh, uh, uhh
Uh, uh, uh, uh, uh, uh, uh
How could you do this to me?
