Na na na na
na na na na
na na na na

You are the music in

Na na na na
na na na na
na na na na

You are the music in are the music in

You know the words once upon a time
Makes you listen there's a reason
When you dream there's a chance you'll find a little
laughter or happy ever after

Your harmony to the melody thats echoein' inside my
head
Our single voice
Are farther noise
Like a common thread
Sing it to me.

When I hear my favorite song I know we belong
because you are the music in me
It's livin in all of us it's here because you are the music
in me
You are the music in
You are the music in are the music in

(Your harmony to the melody that's echoein' inside my
head)

When I hear my favorite song I know we belong cause'
you are the music in me
It's livin in all of us it's here because you are the music
in me me me me me me me
na na na na

you are the music in
na na na na na na na na na na
you are the music in me
