It's like we live in a battleground.  
You and me against what's around.  
It's gotta be that we always stick together, hmm  
Cause every night, every single day  
There will be too many heartbeats breaking  
Doesn't mean that we're gonna put the white flag up.

[Chorus:]  
Love is war  
And I'm a fighter  
It won't kill us babe  
Just make us stronger  
Love is war  
But we're survivors  
We can make it through it all, do it all  
If we know what we're fighting for  
Cause love is war

Oh oh, love is war oh oh

A pretty guy just to keep us safe  
Give us life for another day  
As the bullets fly right over, over  
Another soldier hits the ground  
Makes me think about what I found in you  
And I'm never gonna give this up

[Chorus]  
Love is war  
And I'm a fighter  
It won't kill us babe  
Just make us stronger  
Love is war  
But we're survivors  
We can make it through it all, do it all  
If we know what we're fighting for  
Cause love is war

Oh oh, love is war oh  
You can't let your guard down  
It's a battleground

But I believe in love

[Chorus]

... is war

And I'm a fighter

It won't kill us babe

Just make us stronger

Love is war

But we're survivors

We can make it through it all, do it all

If we know what we're fighting for

Cause love is war

Oh oh love is war

Oh oh yeah, love is war

Oh oh love is war

Oh oh
