I've lost count of all my tears  
I'm so lonely without you here  
When I'm out with my girls I lie  
I still say we're together  
I try but I can't speak the words  
It's just too much pressure

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together  
I'm senseless forever

It ain't what it seems  
You're invading my dreams  
Yeah my heart is tired of forever  
I'm senseless

When you're not here  
I can't breathe, can't sleep, can't eat  
When you're not here  
I can't think, can't speak, this can't be

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together forever  
I'm senseless

How can you act like nothing's wrong  
When I haven't thought about moving on  
I'm holding a pain in my heart  
I'm supposed to explode in  
My mind had a feeling  
Cause I'm just too embarrassed to show it

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together  
I'm senseless forever

It ain't what it seems  
You're invading my dreams  
Yeah my heart is tired of forever

I'm senseless

When you're not here  
I can't breathe, can't sleep, can't eat  
When you're not here  
I can't think, can't speak, this can't be

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together forever  
I'm senseless

I don't know why it had to end  
Still I'm missing you  
I'd give anything just to do it again  
Tell me what to do

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together  
I'm senseless forever

It ain't what it seems  
You're invading my dreams  
Yeah my heart is tired of forever  
I'm senseless

When you're not here  
I can't breathe, can't sleep, can't eat  
When you're not here  
I can't think, can't speak, this can't be

I know in my mind yeah  
I'm wasting my time  
But my heart is tired of together forever  
I'm senseless
