[Verse 1- Ashlyne]

I can't believe I put up you, Gave you the world and still
got no love.
You took my heart for granted, it's to late you will never
get another
Chance.

I used to be, so, into you.
But now you'll see, I'm, over you.
Don't want to make the same mistake anymore, no.

[Chorus]

Now I'm like whatever (eva)
I don't really care how you feel (how you feel), how you
feel (how you
Feel)
I thought it was forever (eva)
But now I know your love wasn't real (wasn't real),
wasn't real (wasn't
Real)
Now I'm like whatever (x4)
Baby it's whatever

[Verse 2- Eric]

Bet you never saw this side of me (no)
You look like my ex girl to me
I should have been a little smarter
What goes around, comes back around harder.

[Ashlyne]

I used to be, so, into you.
But now you'll see, I'm, over you.
Don't want to make the same mistake anymore, whoa!

[Chorus]

Now I'm like whatever (eva)
I don't really care how you feel (how you feel), how you
feel (how you
Feel)
I thought it was forever (eva)
But now I know your love wasn't real (wasn't real),
wasn't real (wasn't

Real)
Now I'm like whatever (x4)
Baby it's whatever

[Verse 3- Eric]

All I need is a chance to explain, I know that you're mad
but I still
Feel the same about our love. You should know me
better, I know that you
Don't really mean it's whatever (ha) all of a sudden lets
be real baby girl
Quit bluffin'
You aint ever goin' nowhere I know that you'll always be
right there.

[Ashlyne]

I used to be, so, into you.
But now you'll see, I'm, over you.
Don't want to make the same mistake anymore
So what you sayin' babe?

Now I'm like whatever (eva), I don't really care (how you
feel x4)
I thought it was forever (eva), but now I know you're
love (wasn't real x4)
Now I'm like whatever (WHATEVA),
I don't really care how you feel (WHATEVA) (how you
feel x2)
I thought it was forever (FOREVA), now I know your love
(wasn't real (x4))
Now I'm like whatever (x4)
