I know, you know this ain't gonna last forever  
Let's take advantage while we still can  
I'm sure that you'll find the days couldn't get any  
longer  
Day after day it's gettin' old fast

Let's have a knock down, drag out rock 'n' roll party in  
the streets  
Get all the boys together have them tell everybody that  
they meet  
Friday night at midnight we're all gonna get what we  
need  
Let's have a knock down, drag out rock 'n' roll party in  
the streets

You know, I know we ain't gonna show no mercy  
To anyone that tries to get in our way  
I'm sure that you'll find we got to put the word out for  
certain  
Once the party gets started we're all here to stay

Let's have a knock down, drag out rock 'n' roll party in  
the streets  
Get all the boys together have them tell everybody that  
they meet  
Friday night at midnight we're all gonna get what we  
need
