I've been writing love songs about you  
Love songs about you  
Its easier that way  
And I've been crying an awful lot about you  
An awful lot about you.  
Just don't know what to say  
Every hour of the day.  
So even when we're fighting  
It makes me want to doubt you  
But I just don't know how to  
Turn and walk away.  
And I keep on trying  
To see myself without you  
To see myself without you  
Cause I know that you can't stay.  
Every hour of the day.  
Every hour of the day.  
Every hour of the day.
