Maybe I'm just haluscinating
Thinking I'm finally falling in love
And hoping that maybe I'll get a chance
To feel what I never felt before
Cus skies of midnight blue light up
The path through my heart
There's someone I'm thinking of
Runing through my mind

CHORUS I

I think I'm falling in love
Cus I don't know how I can
Describe this madness that has taken over my heart
Cus all my moments are filled
With thoughts of this stranger
Who's come to share my world
I'm falling in love

Maybe it's just a dream
But I won't let this feeling pass me by
I'll give myself a chance to let my heart
Be burned by this fire of love
And go the extra mile with this stranger
Who believes the best of me

Chorus II

Cus I'm falling in love
And I don't know how I can
Describe this madness that has taken over my heart
When all my moments are filled
With thoughts of this stranger
Who's come to share my world
I'm falling in love

If this love I feel is madness
I'll come to my senses but
Only after loosing my mind
Cus I want to know what it means
To belong to someone special
