I feel a million miles away
I believe I'm lost in the way you hold me
In my eyes we're the only ones here
Absolutely no fear

-Chorus-

'Cause I get lost in your eyes, lost in your touch Lost in the way I ain't never cared so much And hopin' to qGod you feel like I do Completely lost in you

I'm a little nervous about this feelin'
But I'll leave it, no holdin' back, only believin'
I'm not sure how you feel or what you wanna do
But I can say straight from my heart all I want is you

-Repeat Chorus-

'Cause I'm completely lost in you I feel a million miles away
