I ain't supposed to wanna do alotta drinkin'
'Least that's what a lot of folks keep thinkin'
I ain't supposed to stay out till all hours of the mornin'
I'm supposed to be a young lady

But I like my music loud and a real big crowd with a
cooler close by
I like a pint'a crown and a country sound and stayin' out
all night
And I like dirt roads and river banks and something
cold to drink
Yeah some say that ain't what my life's about
And one day I'm gonna have to settle down
But not right now

No I ain't got to right now

So what if I like the bar and dancin'?
Well what do you care if you don't mind me askin'?
I like being a little wild and havin' fun,
Now don't tell me you forgot about all the things you've
done

Yeah, I like my music loud and a real big crowd with a
cooler close by
I like a pint'a crown and a country sound and stayin' out
all night
And I like dirt roads and river banks and something
cold to drink
Yeah some say that ain't what my life's about
And one day I'm gonna have to settle down
But not right now

Yeah, I like my music loud and a real big crowd with a
cooler close by
I like a pint'a crown and a country sound and stayin' out
all night
And I like them dirt roads and river banks and
something cold to drink
Yeah some say that ain't what life's about
And one day I'm gonna have to settle down

But not right now

No I got to right now

And y'all I aint gonna settle down
