I'm not tryin' to start anything
By comin' up to you tonight
I know that he's yours now
It's sinkin' in with time
But tonight I've had too much to drink
And he stays on my mind
I just wanted to say he's the best thing you'll ever find

Cause he ain't your regular joe,
You know?
And I'm the crazy fool that let him go
And if he says he loves you
Then that's what he means
He's the best man I've ever seen
I just wanted you to know
He ain't your regular joe

She turned to me sharply and said
You think I don't know that?
I can't believe you even spoke to me,
What nerve you must have
I said no you don't understand
You don't wanna be in my shoes
See it took him leavin' me
Before I ever knew

That he ain't your regular joe,
You know?
And I'm the crazy fool that let him go
And if he says he loves you
Then that's what he means
He's the best man I've ever seen
I just wanted you to know
He ain't your regular joe

So she drove home from that bar to say that She was
sorry to him
She was wrong to have stormed out to go Somewhere
she shouldn't have been
He said hey baby that's okay
Everybody has their days

That's when she turned to him to say

You ain't your regular joe,
You know?
And I don't ever plan to let you go
Cause when I say I love you
Then that's what I mean
You're the best man I've ever seen
Oh baby, I love you so
You ain't your regular joe
