Who said I can't be who I wanna be  
Make my dreams come true  
Make the world see what I see in the stars  
Reach the brighter days on the other side  
Can't keep hiding who I wanna be cus  
I know I got something special to share

I'm gonna keeep trying  
Till I'm where I'm supposed to be  
I won't let anyone tell me I'm not strong enough  
Won't let my dreams be pushed aside  
Won't let my life lean on anyone  
I'll keep trying till I get there

I have a dream  
And I'm gonna keep pushing on  
Till I get to the other side  
The trials I'm facing, I won't let them knock me down  
I just have to take these chances  
Cus I know that I can find my way there  
Can't tell what's waiting but I need to get there

I'm gonna keeep trying  
Till I'm where I'm supposed to be  
I won't let anyone tell me I'm not strong enough  
Won't let my dreams be pushed aside  
Won't let my life lean on anyone  
I'll keep trying till I get there

No one can tell me how to get there  
And I won't get there unless I try  
I believe in myself eventhough I know  
I'm the only one who beliefs in my dream

I'm gonna keeep trying  
Till I'm where I'm supposed to be  
I won't let anyone tell me I'm not strong enough  
Won't let my dreams be pushed aside  
Won't let my life lean on anyone  
I'll keep trying till I get there

I'm gonna keeep trying

Till I'm where I'm supposed to be  
I won't let anyone tell me I'm not strong enough  
Won't let my dreams be pushed aside  
Won't let my life lean on anyone  
I'll keep trying till I get there
