Ohh yeah...  
Waiting patiently here I stand  
Just a friend  
But wishing we were more  
And I, I just can't ignore that I'm scared  
And I fear losing what we have, though...

Refrain:  
One side of love ain't fair  
It's hard for me to bare  
That you are unaware

Chorus:  
That I'm here  
But you can't see me  
I'm that invisible woman  
Love from a distance  
Hiding, come find me.

'Cause I, I wanna be...  
Wanna be much more than a friend  
Wanna be your girl  
But in reality  
I don't exist.

Notice that you stop  
You catch me stare  
Over there  
I'm frozen in despair, but...  
I, quietly stand by  
But while you live your life  
Forgetting that I'm there

Refrain:  
And though, one side of love ain't fair  
It's hard for me to bare  
That you are unaware

(Repeat Chorus)

Bridge:  
Alone in my bed

Tossing away in a nightmare  
Don't know will it ever change  
This just ain't fair  
But how can I appear  
And give you my heart  
If you can't see me...

(Repeat Chorus)

I don't exist...  
I don't exist...
