Verse 1

Asian boy can cameltoe

It's a simple pop and lock

Cameltoe your hole,

Then watch me yank those shorts high up

Super fresh, but hurts your cock,

Also hurts the ass crack man

When I do dat cameltoe

I pray to god and yank dat thing

Now OOOOOOOOOOH!

It really hurts your own ass

And if you think that's frightening

Wait till after when you pass gas

You catch me at your local party

Yes I yank it everywhere

People get mad cuz they're

Jealous of my underwear.
