I moved your pictures from my wall
And I replaced them
Both large and small
And each new day
Finds me so blue
Because nothing takes the place of you

I read your letters
One by one
And I still love you
When it's all said and done
Oh my darling
Oh I'm so blue
Because nothing oh nothing
Takes the place of you

As I write this letter
Oh it's raining on my window pain
And I feel the need of you
Because without you oh without you
Nothing seems the same

So I'll wait untill you're home
Oh I love you
Yeah but you know I'm all alone
Oh my darling I'm so blue
Because nothing oh nothing
Takes the place of you
Oh nothing oh but nothing
Takes the place of you
