This Time:

Drawing faces in a padded room,  
With nothing but echoes of screams.  
Am I Insane, Am I untamed?  
Is this the answer, or is it a dream?  
Feels like Nothing,  
And it looks like you're nothing at all,  
And we all go down this time.  
Has the world forgotten about me?  
Am I left here to suffer my pain?  
Call out to mother, coz there ain't no other  
To stop you from crying again.  
This time, Oh this time.  
Changing places where you once found love,  
Now everythings falling apart,  
Are you alone, too far from home?  
Are you just mindless, or are you a fool?  
Feels like nothing and it looks like nothing at all,  
And we all go down this time.  
Has the world forgotten about me?  
Am I left here to suffer my pain?  
Call out to mother, coz there ain't no other  
To stop me from crying again.  
This time, this time I don't have no fear,  
This time, everything I wanted was here.  
Feels like your nothing,  
Feels like nothing at all  
Call out to mother,  
Coz there ain't no other  
Can stop you from crying again.  
This time, Oh this time
