So, so you think you can tell heaven from hell,
Blue skies from pain,
And can you tell feeling from a cold steel rail,
A smile from a veil,
And do you think you can tell,
Did it get you to trade your heroes for ghosts,
Hot ashes for trees,
And hot air for a cool breeze,
And cold comfort to change,
Did you exchange or walk on call in the war,
For the lead role in a cage

Chorus

How I wish, how I wish you were here, we're just two lost
souls living in a fish bowl year after year, running over
the same old ground but have we found the same old
fear-x2

I wish yo u were here, I wish you were here and how I
wish you were here, I wish you were here(do do do do
etc for 40sec's)

[At 4.45mins Christo blends in with the crowd singing]

I WISH you were here, wish you were here, wish you
were here, here etc...

I wish you were x4.
