(feat. Anne K)

Feeling you, Where are you going  
You don't need to leave  
Check yourself, your thoughts are showing  
What's up your sleeve

Seeing you  
Who are you feeling  
It's all clear to me  
Forgot yourself, you need some schooling  
You're already free

(2X)  
I had a talk with you in my head  
You lucky you  
A view of you from your bed  
I'm lucky too

I listen up when you are speaking  
What's behind your eyes  
What I'm seeing is that your seeking  
When the inside shines

I look at you when you are sleeping  
You are far away  
You must have gone down into the deepness  
I'm at your bay

(2X)  
I had a talk with you in my head  
You lucky you  
A view of you from your bed  
I'm lucky too

Feeling you, where are you going  
You don't need to leave  
Check yourself, your thoughts are showing  
What's up your sleeve

(4X)  
I had a talk with you in my head

You lucky you  
A view of you from your bed  
I'm lucky too

You lucky you...
