There aint no judge, no jury down around El Paso  
Hangman posse blazing my trail before I get to Mexico  
Thirteen guns were tracking, side the Rio Grande they  
rode  
About a debt I owe, yeah!

Through the heat of the desert sun underneath a  
blackbirds wing  
I keeping one step ahead of the gun  
Or I'll be stretching my neck in a noose  
Doing the hangman swing

Sheriff wants to lynch me for what I did to his wife  
Well how was I to know it was her, but it damn sure was  
nice  
Now they want to see me dancing on the end of a rope  
About a debt I owe, yeah!

Through the heat of the desert sun underneath a  
blackbirds wing  
I keeping one step ahead of the gun  
Or I'll be stretching my neck in a noose  
Doing the hangman swing

Hangman swing (hangman swing)  
It's hangman swing, swing, swing  
Hangman swing (hangman swing)  
Cmon, swing boys, yeah!

Found me bout a half days ride from the border of  
Mexico  
Put a bullet twixt my blades and my neck in a rope

Through the heat of the desert sun underneath a  
blackbirds wing  
I keeping one step ahead of the gun  
Or I'll be stretching my neck in a noose  
Doing the hangman swing

Yeah, the hangman swing (hangman swing)  
It's hangman swing, swing, swing  
Hangman swing (hangman swing)

Yeah, the hangman swing (hangman swing)  
It's the hangman swing (hangman swing)  
Yeah, the hangman swing (hangman swing)  
Well the hangman swing (hangman swing)
