Hold on, the restless and the gypsies
Falling down from the stairways of doom
Running wild, escaping from the devil

Hearing screams in the night
(Half)

Rambling on, searching for tomorrow
Facing ghosts in the mirror of trees
Shattered walls, cryings of sorrow

Tolling bells in the night
Scary flames shining bright

Angel eyes
Look down from heaven
Drawing all fools into hell
Angel eyes
Cast out the evil
Whispering out magic spells
Angel eyes

Devil dancers, riders of imbalance
Raging hellfire from heaven to earth
Armored knights, no time to surrender

Hearing screams in the night
(Half)

Angel eyes
Look down from heaven
Drawing all fools into hell
Angel eyes
Cast out the evil
Whispering out magic spells
Angel eyes

Angel eyes
Heavenly fire
Erasing dark forces of fate
Angel eyes
Get rid of the devil

Destruction of fear and hate
Angel eyes

Angel eyes
Look down from heaven
Drawling all fools into hell
Angel eyes
Cast out the evil
Whispering out magic spells
Angel eyes

Angel eyes
Heavenly fire
Erasing dark forces of fate
Angel eyes
Get rid of the devil
Destruction of fear and hate
Angel eyes
