(Live)

The sky is red, I don't understand,  
Past midnight I still see the land.  
People are sayin' the woman is damned,  
She makes you burn with a wave of her hand.  
The city's a blaze, the town's on fire.  
The woman's flames are reaching higher.  
We were fools, we called her liar.  
All I hear is "Burn!"

I didn't believe she was devil's sperm.  
She said, "Curse you all, you'll never learn!  
When I leave there's no return."  
The people laughed till she said, "Burn!"  
Warning came, no one cared.  
Earth was shakin', we stood and stared.  
When it came no one was spared.  
Still I hear "Burn!"

Purple haze all in my brain  
Lately things just don't seem the same  
Actin' funny, but I don't know why  
'Scuse me while I kiss the sky

Purple haze all around  
Don't know if I'm comin' up or down  
Am I happy or in misery?  
Whatever it is that girl put a spell on me  
Sheila, a rockin' girl  
Sou can feel the power  
She is 19, dressed in black  
And rides hour after hour  
Yeah, we all know

Every night, when the time is right  
She spreads her legs of fire  
Straps in black, lips in lila  
She coolest my hot desire

Yeah, we all know  
Ooh, they call her Princess

Ooh, she's the hottest bitch in town  
Ooh, they call her Princess  
Ooh, she's the hottest thing around

It's eight o'clock, she wants my rock  
heavy sound is roaring,  
Sheila's ass goes up and down,  
it never seems to be boring

Yeah, we all know  
Ooh, they call her Princess  
Ooh, she's the hottest bitch in town  
Ooh, they call her Princess  
Ooh, she's the hottest thing around

Ooh, they call her Princess  
Ooh, she's the hottest bitch in town  
Ooh, they call her Princess  
Ooh, she's the hottest thing around
