In the city of the damned  
Far away in a holy land  
Where they feared his reign of terror

He called the dragons, ruled the land  
Cursed the people, they're forever banned  
But someone struck him down with holy water

Who's calling his name  
(Who's calling his name)  
will burn down in flames  
He'll be born again  
(Be born again)  
At his resurrection

He's coming home  
Coming home  
He's coming home  
the revenge of the Pharaoh

He's coming home  
Coming home  
He's coming home  
The revenge of the Pharaoh

Rising from the mouldy grave  
The beast is back to make some slaves  
It's a never ending nightmare

They cast the spell, tried to win  
But lost in vain, the evil's a sin,  
The hope was lost and now they surrender

Who's calling his name  
(Who's calling his name)  
Will burn down in flames  
He'll be born again  
(Be born again)  
At his resurrection

He's coming home  
Coming home

He's coming home  
The revenge of the Pharaoh

He's coming home  
Coming home  
He's coming home  
The revenge of the Pharaoh

Oooh!

Who's calling his name  
(Who's calling his name)  
Will burn down in flames  
He'll be born again  
(Be born again)  
At his resurrection

He's coming home  
Coming home  
He's coming home  
The revenge of the Pharaoh

He's coming home  
Coming home  
He's coming home  
The revenge of the Pharaoh

He's coming home  
(He casts away his spell)  
You're trying to [...]  
*He's coming home*  
*(The walls of [...])*  
*'Cause I know you're there*  
*I can feel you near*  
*He's coming home*  
*Where is [...] home*  
*I know you're there*

*He's coming home*  
*The revenge, the revenge*  
*(He's coming home)*  
*He casts away his spell*  
*(Coming home)*  
*He's trying to wish you well*  
*They've lost their way [...]*

*And the evil's [...]*  
*The evil's [...]*  
*(He's coming home)*  
*Oh I can feel it in the air*  
*He's coming home*

*(He's coming home)  
Ooh!*

*He's coming home  
Coming home  
He's coming home...*
