Axel Rudi Pell- Devil Zone

I hear some voices in rain
Coming through the cloud on a storming night
we live on remain, we feel in the pain in shimmering
light
At night
all alone in the dark

Ohhhhhhhhhhh ohohoho
Keep flowing eyes are fill with anger
For massive wings are shinning praid ?
It's causing trouble and danger
there's no return, it's losing the night
In your dream and our glory, it's coming out of your
bed
Lights are never an history, there no chance to win this
game

In the Devil Zone !!! Yaaaah
Got lost in the night, in the Devil Zone !!!
Your scream is now, your tool of today, to die

Just to yell
The twilight torture, those holding on
war seed the creatures in the air
don't lose your mind, you will turn to stone
You cry for hell, in your despair

In your dreams and our glory, it's coming out of your
bed
Lights are never an history, there no chance to win this
game

In the Devil Zone !!! Yaaaah
Got lost in the night, in the Devil Zone !!!
Your scream is now, your tool of to die, In the Devil
zone

Your tool of to die, today

(guitar solo)

In the Devil Zone !!!
Got lost in The night in the Devil Zone
Your scream is now your tool of to die, today

The Devil Zone
Oohohoho
oho!! oho!!
Devil Zone
