Music: Pell

Lyrics: Pell

I saw the shadow rising
From a hill up down below
There was no place
For hiding
Still I didn't know
Where to go
I'd better be aware of
The place of no return
All I could hear was some-
One saying "Burn"
Eternal prisoner
Forever lost in space
Eternal prisoner
Forever locked in a cage
In the light of day
You can hear
The wizard pray
And in the dark of the night
There was a rainbow
Shining bright
Eternal prisoner
Forever lost in space
Eternal prisoner
Forever locked in a cage
They never saw
The light of day
All they could do
Was wish and pray
They were tortured
To the bones
With swords and
Glowing stones
Solo
Repeat chorus
