Well, my maker
Must have been a hard heartbreaker
I said, my maker
Must have been a hard heartbreaker

Ooh, I'll tell you why
I'll tell you why

I'm breaking my own heart, yes, I am
Trying to love a faker, yeah, oh, yeah
Heartbreaker

Like a blind man
My little house is on fire
Just like a blind man
My little house is on fire, it's on fire

I'm burning my own eyes out
Trying to reach the door
Trying to love a faker

Well, the sun is shining
But it sure, it sure
Don't seem to reach my heart
Yep, cold as ice, ooh yeah

Well, the sun is shining
But it sure, it sure
Don't seem to reach my heart, no

I'm wasting my whole life
Trying to make a new start
Make a new start

Make a new, a new start
Make a new, make a new start

Make a new start
Make a new start
