Holy Diver

You've been down too long in the midnight sea
Oh what's becoming of me

Ride the tiger

You can see his stripes but you know he's clean
Oh don't you see what I mean

Gotta get away get away

Gotta get away get away

Holy Diver Holy Diver

Holy Diver Holy Diver

Shiny diamonds

Like the eyes of a cat in the black and blue
Something is coming for you

Race for the morning

You can hide in the sun 'till you see the light
Oh we will pray it's all right

Gotta get away get away

Gotta get away get away

Between the velvet lies

There's a truth that's hard as steel

The vision never dies

Life's a never ending wheel

Holy Diver Holy Diver

Holy Diver Holy Diver

Holy Diver Holy Diver

Holy Diver

You're the star of the masquerade

Holy Diver

No need to look so afraid

Holy Diver
