Living in cages, with fearful eyes of sorrow  
so sad and lonely on their own  
dumb and pushed off, no hopes for tomorrow  
trembling bones all alone

Lost creatures running blind  
But you hope with all the tears you cried

There's no chance to live  
another torture's passing by  
no chance to live  
don't want to die  
no chance to live  
hearing screams from above  
mistreated and crying out for love  
mistreated and crying out for love

How can you do such bad things to me  
I cannot talk, can't defend and I'm not free  
where is the person which really really loves me  
and helps me to get out, to be free again

Lost creatures running blind  
But you hope with all the tears you cried

There's no chance to live  
another torture's passing by  
no chance to live  
don't want to die  
no chance to live  
hearing screams from above  
mistreated and crying out for love  
mistreated and crying out for love

There's no chance to live  
another torture's passing by  
no chance to live  
don't want to die  
no chance to live  
hearing screams from above  
mistreated and crying out for love

No chance to live  
much to young to die  
raped souls on the way to the sky  
No chance to live  
Oh lord hear me calling  
I'm crying  
I'm crying out for freedom  
No chance to live
