They disappear right before my eyes  
All my dreams and the love of my life  
Oh no, I feel the shock and the danger  
No way, can't find no love with a stranger

War and peace, you know there ain't no rules  
Look out, it turns lovers to fools  
Down on my luck and out of deep frustration  
I'm lost in desperation

Oh no, can't get enough of your show  
Oh no, I don't know where to go

(Unchain the thunder)  
Let the lightning strike  
(Unchain the thunder)  
Let the lightning strike tonight

Feels so right when I'm in your spell  
Let me know if it's heaven or hell  
Oh, take a walk on the wild side  
Come on in from the outside

Gimme your way, control the situation  
Now I'm in a new creation  
Oh no, can't get enough of your show  
Oh no, I still don't know where to go

(Unchain the thunder)  
Let the lightning strike  
(Unchain the thunder)  
It feels so right

(Unchain the thunder)  
Feed my appetite  
(Unchain the thunder)  
Let the lightning strike tonight  
(Unchain the thunder)

(Unchain the thunder)  
Let the lightning strike  
(Unchain the thunder)

Stay with me tonight

(Unchain the thunder)

It feels so right

(Unchain the thunder)

Let the lightning strike tonight

(Unchain the thunder)

Walk on the wild side

(Unchain the thunder)

Come on, come on in from the outside

(Unchain the thunder)

Let the lightning strike tonight
