I had this crazy dream one night, where everything just
wasn't right,
Monsters, demons, running screaming I was searching
for the light
Darkness, imprisoning me, all I saw absolute, monsters
then riot came a
Terrifying beast

Booshduckdow

I was in the jungle baby and I thought I was gonna die,
it has cool things
Like cool creatures of the kind, no time to see them
before I even knew the
Creatures shadow
Scared of what they had in store I ran for the door, but
the door was
Locked the dream wouldn't stop, I could see no more
what do I do, I know
That I'll take them out with the secret of Kung fu HA

I had this crazy dream one night and everything just
wasn't right, these
Demons are going to get me never gonna let me sleep,
gonna get eaten alive
By this evil villain creep, scratching on the walls, evil
lurking in the
Halls, never gonna make it, can't escape it

Booshduckdow

I tried to get away, like running through jello, I couldn't
move, getting
Closer, was this fellow, who represented evil, I tried to
scream, I
Couldn't talk, I couldn't see Booshduckdow coming
now, taking fear, bring
It here.
