(Don Addrisi/Dick Addrisi)

I kicked off my shoes, and felt the good earth beneath
my feet

I loosened my tie, and felt what it feels like to breathe
I found the secret to life

I took some time for living

I took off my watch, and found I had all the time in the
world

I opened up my arms, so I could hold life like a
beautiful girl

I laid down all of my hang-ups forever

I looked around, and saw what sweet things can be
found

Simply by taking some time for living

Grooving on little things life is giving

>From now on I'm taking time out for life

Too busy to stop and notice the things that are real

Embarrassed to talk about all things that I feel

It's so strange, never noticed the world all around me

Hey, look I've changed, my attitude's been rearranged

>From now on I'm taking some time for living

Grooving on everything life is giving

I'm gonna be taking time for life

Lifetime for living

Grooving on everything life is giving

Lifetime for living

Grooving on everything life is giving

Lifetime for living
