I was laying in my bed now
For so long
And I have noticed that it's so hard
To write a good song
And I've been trying and
Thinking about this
And only one thing
Was in my mind
This is our first song together
And we dedicate it
To the most important one
In our lives
He is why we're here
And why we make music
Rocking this stage
Here comes assigned

He is father, son and holy spirit
He is the king above
So let's jump for him now
1, 2, 3...

Ref:
For us
He created the universe
For us
He came from heaven to earth
For us
He died on the cross
For us
He keeps the devil away
