I've walked this road so far now
I can't go further
Now you have said you'll never leave me
Never let me go
Hear my cry

Ref:
Why do I feel so forsaken
You have told me you wont leave

Thoughts are chasing me in my head
They're chasing me
They say I'm a loser
I'm a loser
Hear my cry

Ref:
Why do I feel so forsaken
You have told me you wont leave

But now it is your turn

Ref:
Why do I feel so forsaken
You have told me you wont leave
