'Hey .. thats my asshole your touching'
'Shut up bitch'

Yo all you assholes out there
You got a reputation
Let them feel your ass
At your permission

Dont let them use a pencil
Let them use their hand
Let them use a fruit
Shut the **** up man

ASSHOLES..... Yeah

ASSHOLES... Yeah

Let them slash and bash
Another hole in your ass

Thats not the end
They gotta touch your ass
Dont let them through
Dont let them pass

Im gonna mention ass
For the the 8th time
Give me a reason
Not to make a rhyme

ASSHOLES..... Yeah

ASSHOLES.....Yeah

Im gonna slash and bash
Another hole in your ass

Because we are Masters of the Ass
