A shadow in the night
Feeding on blood, flesh and souls
Once burnt alive
Killed but not dead
Seeking bloody revenge
An eternal fight

Ancient spirits bestowed me Â– immortality
Immortality Â– as malediction

I am
Accursed Â– my veins are demonized
Accursed Â– by ancient gods
Damned Â– to hunt their souls
Life Â– my mortal agony

Awakened beneath the earth
Between mangled, bloody bones
An incantation Â– unholy blasphemies
To resurrect from my grave
Lust to kill Â– drives my brain
Anger runs through my veins

Killing is my destiny
Not able to resist

I am
Accursed Â– my veins are demonized
Accursed Â– by ancient gods
Damned Â– to hunt their souls
Life Â– my mortal agony

I am fighting against my curse
To regain humanity Â– to regain mortality
To escape from my undead existence Â– to rest in
peace

I am
Accursed Â– my veins are demonized
Accursed Â– by ancient gods
Damned Â– to hunt their souls
Life Â– my mortal agony

Resistance is illusion, the devil is inside me
A summoner of eternal darkness
