Gee, whiz
Oh, have you seen my girl
Gee, whiz
She's out of this world

She's got lips so sweet
Candy red
Honey bees flying
All around her head

Candy
Candy

Ooh, wee
She's got a heart so warm
Ooh, wee
She's like a lucky charm

She's got eyes so bright
Sky blue
A voice so soft
Just like the morning dew

Candy
Candy

She's just a lump of sugar
And sweetened my tea
And one of these days
She's gonna marry me

Gee, whiz
She's got everything
Gee, whiz
She should be a queen

She's got a loving heart
Gold pure
One of these days
I'll make her mine I'm sure
