The towers  
Built of stone of all kind  
The guardians  
Of all species  
The dimensions  
With every possibility  
This purgatory like void  
I will take the first step

This is the secret mankind explores all the time  
This is the secret man will never expose  
Oh lord, tell me why were here!  
What's the purpose of this dream

For ages we have wandered  
Through the gates  
For ages we have wondered  
Which gate should we choose

But all the gates are closed  
To those who do not know the answers  
To the riddles that the guardians  
Present to those who trespass  
Oh lord, tell me why we're here!  
Oil lord what's the purpose of this dream?  
Is it to gather knowledge  
And to take it back

Is it to prepare myself  
For what's coming next

I wrote this part last night with the lizard king  
But i no longer remember what he sang to it  
I hope that i will see him again  
So he would tell me how old is the snake

For ages we have wandered  
Through the gates  
For ages we have wondered  
Which gate should we choose  
For ages we've had the knowledge of the ancients

And maybe we will know all the answers  
Before our world ends as it is
