I lost you three hours ago  
I spent my three minutes of gold  
Talking to no one  
Iâ€™m coming on strong  
I said iâ€™m coming on strong  
Alright!

I lost you three hours ago  
I spent my three minutes of gold  
Talking to no one  
Iâ€™m coming on strong  
I said iâ€™m coming on strong  
As i walk through the corridor

Take me iâ€™m going nowhere  
Iâ€™ll follow you wherever you wish to be  
The colours of the sunshine make me happy  
Youâ€™re walking on the sun  
Iâ€™m in the city

You lost me three hours ago  
I waste my time under the snow  
Iâ€™m getting cold now  
Iâ€™m moving so fast  
I said iâ€™m moving so fast  
Alright!

I hope you find your way back home  
I hope you know where do we go  
Iâ€™m going nowhere  
Iâ€™m moving so fast  
And i donâ€™t even wanna stop

Take me iâ€™m going nowhere  
Iâ€™ll follow you wherever you wish to be  
The colours of the sunshine make me happy  
Youâ€™re walking on the sun  
Iâ€™m in the city
