You got the best of me today...  
You got the best of me today... and it shows...  
Speak slow lets go... watch it all fall down  
Just sign me up for this... another let down!  
You just got here but I just missed out  
Please tell me you want him  
Or show what you've got left...  
(Liar I dare you to look into my eyes...)

[Chorus:]

You got the best of me today (you got the best of me  
today)  
And it shows...  
Liar Liar I dare you to see things my way...  
Before you go...

Hey Love, get down!  
Watch it all fade now  
Just let it all out and let it all go...  
We just found out... but he's all yours now...  
Don't choke on your own lies  
They keep me company

[Chorus:]

You got the best of me today (you got the best of me  
today)  
And it shows...  
Liar Liar I dare you to see things my way...  
Before you go...

You got the best of me today (you got the best of me  
today)

[Repeat]

[Chorus]
