Your love is like a reckless ocean  
Tossing turning with no warning  
You're so inviting  
But the tide is rising  
Your love is like the blazing sun  
A burning light so radiant  
But don't get close  
Cause in the end is destruction

I'm so over you  
I'm finally letting go  
Of all the weight that held me down for so long  
Now I'm moving on  
I can see that I've been wrong  
I've got nothing left to lose  
And everything to prove  
I'm so over you

I'm stronger than the undertow  
I won't be drowning anymore  
And I won't rest  
Until I reach the shore  
There is a love that never leaves  
A love that always carries me  
I'll set my eyes on the rising sun and give my heart to  
freedom
