I will be more successful than all those that went before
me

Because the time is right the, the season is right, you
are right, the conditions are right

We must go free! now! now is the time!

Go!

Are you ready?

1, 2, 3, 4!

After west german takeover berlin youth were just
getting used to their new found freedoms:

House, drugs, squats denied despite food and money
shortages

Since perestroika planet soviet union has changed

There's a new world in which young people can work
together!

Come on - let's work together!

The most famous suckers are elvis presley, james
dean

And the most photographed universally known of them
all - marilyn monroe

But the times are changing and you'll see that the last
chance will be an atari teenage riot

Atari teenage riot!

What did you say? what did you say? what did you say?

Atari teenage riot!

There won't be any experts there to say you should do
this you should do that

I don't care what anyone does to our records... I just
don't wanna be looking at it

Come on!

I don't wanna punish people - I wanna punish myself

As much as well with the music I think that's part of the
reason

But anyway... the last chance will be an atari teenage
riot

Atari teenage riot!
What did you say? what did you say? what did you say?
Atari teenage riot!

Power for those who can fuck it
Freedom for those who can find it
Sex for those who can buy it
Television today never lies
What did you say?
Atari teenage riot!
