Kids are united and they will never be divided! (x4)

You know that violence is a disease
It's going to be a part of our lives and our future if we
don't do something against it!
But if we put our energies together it could be a very
powerful era!
Riot sound effects can produce riots
Play them in a riot situation and the police will come
you'll see!
The kids are united and they will never be divided! play
this game right!
No difference between black and white! the
difference's between young and old!
Just pointing out that cuts on a ghettoblaster can be
used as a weapon!
Fight!

United! united ... (all)
The game is drawing to a close so it looks as good a
time as any to ask the final question:
What does the future hold for us?
Bring it down to ask for the coming back! if the kids are
united!
Kids! kids!... (x8)
United!

Kids are united and they will never be divided!

If the kids are united!

They've got 80,000 in the bank and they don't know
how to live!
I used to work in a club where they never came to
dance ... fuck them up!

Kids are united and they will never be divided! (x4)
United! united! united! united! united! united!
United! united! united! united! united! united!
