I would die for peanut butter

Go! are you ready?

Start the riot! start the riot! start the riot! start the riot
now!

Fight! war! fire! violence! death! police! tv!

Fuck you!

Start the riot! start the riot! start the riot! start the riot
now! (x3)

Is this a private joke or are you going to let me in on it?

1, 2, 3, 4!

I'm trying to [?]

I'm going to be a human!

And you think that's a big deal, huh?

M-hmm.

Tell me something, what's so appealing about being a
human anyway?

Well... just because.

So?

Fight! war! fire! violence! death! police! tv!

Start the riot! start the riot! start the riot! start the riot
now! (x3)

It won't be long before I'm a human being like you!

Come back here you thief! you can't get away with it!

Give me that!

Let go!

Yakamo! he's got the statue!

Come back here you crook!

Yakamo!

Oh great!

Ahhhh!
