Aboute time you crows out of my head its turning,
no matter what I do I'm stuck on you.
I can't control my hunger for more and more,
cause all I think about is a way to get through.

I can't belive that I cant recieve,
cause this is where I belong.

[COURSE]

I want it all, and I want it now.
as a matter of fact
you better step back
cause I'm here to take everything
I want it all and I want it now
as a matter of fact
you better step back
cause I'm here to take everything

ooh yeah hehe

now I hear a distant drum
from deep down under
beliving it will guide my way to you
afraid to lose my way along this journey
afraid to be the one who gonna fail

I cant belive that I cant receive
cause this is where I belong

[COURSE]

I want it all, and I want it now
as a matter of fact
you better step back
cause I'm here to take everything
I want it all and I want it now
as a matter of fact
you better step back
cause I'm here to take everything

This is what I really needed

my ego is defeated
I came to see my victory
you wish to beat it
This is what I really needed
my ego is defeated
I came to see my victory
you wish to beat it!
