Elevate me now to the comfort of your touch
I need my fix, need to take the edge off
And it's hard to make a wish when
The magic isn't there, the magic doesn't care
It's hard to make a wish when
Love's gone elsewhere

Sky diver make it quick now
Get it over with, get my feet back on the ground

Is this our last ride, there's someelse to see
Is this our last dance, I know I don't want it to be
And it's hard to make a wish when
The magic isn't there, the magic doesn't care
It's hard to make a wish when
Love has gone elsewhere

Sky diver make it quick now
Get it over with, get my feet back on the ground

Keep it coming, I won't let go
Piece me back together silver and gold
Keep it coming now, I won't let it go
Piece me back together silver and gold

Sky diver make it quick now
Get it over with, get my feet back on the ground
Sky diver make it quick now
Get it over with, get my feet back on the ground
