You in the Falcons house now
Yeah, I know you can hear me, Atlanta
Get your hands in the air; come on

Chorus

Get your hands up (x3) Make some noise!
Get your hands up (x3) Atlanta!
Get your hands up (x3) I said, make some noise!
Get your hands up (x3) Atlanta!

Verse 1

Hey, that's right, we the Falcons
We on the hunt; it's our house
So bring it on; go, Falcons
We're on a mission to beat the competition

Taking respect, makin' 'em sweat
No doubt Georgia Dome is sold out
Now everybody shout 'cause this is our house

Whose house? (It's the Falcons house!)
Let me hear you say whose house? (It's the Falcons house!)
Come on, whose house? (It's the Falcons house!)
Let me hear you say whose house? (It's the Falcons house!)

Chorus

Verse 1
