Are you ready now? We're comin' to your town  
We're gonna throw it down; it's time to turn it out  
Â

Chorus

Get up! Get up! Here we go, here we go now!  
Get up! Get up! Here we go, here we go yeah! (x2)  
Â

Out of Atlanta, this is the way we play  
On the attack, swoopin' down like a bird of prey  
It's time to settle the score; no you don't want no  
more

We flyin' up to the top, so get up off the floor  
Â

Are you ready now? We're comin' to your town  
We're gonna throw it down; It's time to turn it out

ChorusÂ

It's time to turn it out

Â

ChorusÂ

it's time to turn it out
