"Imaginary Lover"

Imaginary lovers
Never turn you down
When all the others turn you away
They're around
It's my private pleasure
Midnight fantasy
Someone to share my
Wildest dreams with me
Imaginary lover
You're mine anytime
Imaginary lover, oh yeah

When ordinary lovers
Don't feel what you feel
And real-life situations lose their thrill
Imagination's unreal
Imaginary lover, imaginary lover
You're mine anytime

[Instrumental Interlude]

Imaginary lovers never disagree
They always care
They're always there when you need
Satisfaction guaranteed
Imaginary lover, imaginary lover
You're mine all the time
My imaginary lover
You're mine anytime
