We were two crazy people  
It was a neon nite  
A little glitter  
Multi-colored slides

There was some high stepping  
Oh, what a life  
With those high rolling  
Star snuggling neon nites

Guess we had us  
A high time or two  
I remember those  
Neon nites with you

Give me some high trotting  
Sure got it on  
Those oogie boogie  
Honky tonky songs

Your silver stockings  
We danced til dawn  
Hootchie cootchie  
Hard rocking all night long

Now the dance of bright  
Lights make me blue  
I miss those neon nites  
With you

We were two crazy people  
It was a neon nite  
A little glitter  
Multi-colored slides

Nowadays the bright  
Lights make me blue  
Yes, they do  
And I miss those  
Neon nites with you

I miss those neon nites  
With you
