Deus deus - Angelus mortifer
Deus deus - Angelus mortifer
Moriar

Don't wanna live for ever, I cannot stand that pain
I'm giving up this life, don't cry baby, cry baby
The final day of my life will come soon, my dear
I wanna say good bye with kisses and love and with
tears

Black raven at my window, it's waiting for my soul
My body's sick its burning, release me, I'll go
It's only one small step into my paradise
Don't be sad or scared 'cos one day my soul will arise

Send me an angel of death - Deus deus - angelus
mortifer
Send me an angel of death - Deus deus - angelus
mortifer
Send me an angel of death - I will die

Deus deus - Angelus mortifer
Deus deus - Angelus mortifer
Moriar

I made a clear decision and now time stands still
I'll go in peace and silence do you respect my last will?
You say that it's not legal you think that's not allowed

Now it's time to put on my shroud
Eternal life release me, all this was not in vain
I hear immortal voices this night they call out my name

Send me an angel of death - Deus deus - angelus
mortifer
Send me an angel of death - Deus deus - angelus
mortifer
Send me an angel of death - Deus deus - angelus
mortifer
And kiss me and feel my last breath (Kiss me and feel
my last breath)

Deus deus - Angelus mortifer
Deus deus - Angelus mortifer
Deus deus - Angelus mortifer
Deus deus - Angelus mortifer

Send me an angel of death - Deus deus - angelus
mortifer
Send me an angel of death - Deus deus - angelus

And kiss me and feel my last breath - Deus deus -
angelus mortifer
Send me an angel of death - I will die
