I feel the hot rhythm  
I feel the hot beat of the wild life of rock 'n' roll  
Traveling on roads  
I've never seen before and I feel the music in my soul

Every day another town  
Every night another gig  
And so many people to get to know

But you get no time for rest  
'Cause you wanna be the best  
You give everything tonight in the show

This is a rock 'n' roll paradise and I hope it will never  
end  
But when we finish our tour  
And the last day has come  
I will cry again, again, again and again

Gimme back, gimme back the paradise  
Gimme back, gimme what I want  
Gimme back, gimme back the paradise  
Gimme back, gimme what I want

So many different places  
So many different faces things are strange  
And new and when I look behind the pictures in my  
mind  
Makes me feel as if I drank a witches' brew

Gimme more from this drink  
It's a help for me to think about all that I've seen  
And I've learnt this time  
Music changes every mind anywhere I've ever been

This is a rock 'n' roll paradise and I hope it will never  
end  
But when we finish our tour  
And the last day has come  
I will cry again, again, again and again

Gimme back, gimme back the paradise

Gimme back, gimme what I want  
Gimme back, gimme back the paradise  
Gimme back, gimme what I want

Gimme back, gimme back the paradise  
Gimme back, gimme what I want  
Gimme back, gimme back the paradise  
Gimme back, gimme what I want

Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise

Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise

Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise  
Gimme back, gimme back the paradise
